MILITARY WIDOWS' FUND, BRITISH SERVICE.

(LATE QUEEN'S MILITARY WIDOWS' FUND.)

The Military Widows' Fund, British Service, was established in 1820 to alleviate the distress of families of officers of the British Service and to enable them to return to England without unnecessary delay. Whenever an officer of the British Service, who is a subscriber to this Fund, dies, his family receives at once the following assistance, namely:—Six months' maintenance allowance ranging from Rs2,400 to Rs3,600 according to rate subscribed, plus Rs1,500 as a donation for the widow, plus Rs500 or Rs300 as a donation for each child, according to whether the child is over 12 and under 21 years of age or under 12 years of age. These benefits are secured by a small subscription of Rs4, 3, or 2 per mensem, which is regulated by the amount of pay an officer draws. An officer, on becoming a subscriber, secures for his wife and children, quite irrespective of his length of service in India, the full benefits of the Fund in case of his death after having subscribed for fully three months. In the event of an officer dying within that period, his case is specially considered by the Committee of General Management.

In 1919, the sum of Rs28,872 was paid in awards to families of deceased subscribers; and the total amount paid in awards since the establishment of the Fund to the end of 1919 amounts to Rs30,01,466.

Copies of the Regulations of the Fund can be obtained from the Secretary at
